The Care and Repair Agency provide a comprehensive support facility for repairs, improvements and adaptations to privately owned homes of persons who are elderly, have disabilities and vulnerable, or on low incomes. The agency enables people to continue to live independently in their own homes, ensuring their homes are free from damp, warm, secure, comfortable and suitable for their needs.

The agency can help in applying for grants where appropriate, which may fund all or part of the work or they can give information on where to obtain the finance.

A surveyor is part of the team and ensures work is carried out to the highest of standards.

The teams are now also responsible for administering the Disabled Facilities Grant and they are the best people to call if you are considering making changes to your property for reasons connected to disability.

DISABLED FACILITIES GRANT

If you or someone living in your property is disabled, you may qualify for a disabled facilities grant towards the cost of providing adaptations and facilities to enable the disabled person to continue to live there.

Contact your local District or Borough Council for further information on eligibility, guide lines and application forms or your local Care & Repair Agency.
