UKAP (THE UK ADHD PARTNERSHIP)

The UK ADHD Partnership (UKAP) was established in January 2013 by mental health and allied professionals who share an interest in improving outcomes and securing better futures for children and young people affected by Attention Deficit Hyperactivity Disorder (ADHD), together with their carers and families. The Partnership brings together practitioners with a wealth of experience from a range of services who are committed to raising awareness and understanding about ADHD and fostering positive outcomes.

This support group is based in Worcester. Supporting people with: ADHD and co existing Disorders

PO Box 20, Worcester WR5 1YB

Email: worcestershireadhd@yahoo.co.uk

ADDandADHD

ADDandADHD was formed to offer a unique reference point on comprehensive advice on adhd. There you'll find extensive information on ADHD, how to spot the symptoms, the treatments and remedies available, plus advice on the lifestyle changes you might need to make.

Their concern was that there was no single UK resource for interesting features and practical advice on this subject. Their features and articles are written by experts - who have experience, or a particular interest in this area.
