## GO KIDS GO (Association of Wheelchair Children)

**Telephone: 01482 887 163**

**Go Kids Go!** (The Association of Wheelchair Children's) is a small national charity and their mission is to enable young wheelchair-users throughout the UK to become independently mobile.

Their primary objective is to equip young wheelchair-users with the skills to help them reach their full potential and also to increase their confidence. The skills and support they offer through their free courses are unique, practical and fun and we believe that it is important to allow parents/carers, siblings and friends to join in with the training, fun and games that we provide. To enable this they carry a stock of spare wheelchairs to our courses, They are always available afterwards to provide advice and support as well as guidance in acquiring the most suitable wheelchair for each individual's specific needs.

**Go Kids Go!** has a team of highly skilled trainers who, every year, run over 100 days of mobility skills training with young wheelchair-users and their families across the UK and Ireland and we make absolutely no charge to these families for the services that we offer.

**Website:** [www.go-kids-go.org.uk](http://www.go-kids-go.org.uk)
