CJD (CREUTZFELDT JAKOB DISEASE)

The human variant of 'mad cow disease', otherwise known as CJD, is the destruction of the brain's neutral tissue, causing memory problems and behavioural changes.

THE CJD SUPPORT NETWORK

Telephone: 01630 673993

Helpline: 0800 0853527

The CJD Support Network was established in 1995 by relatives of people who have died with CJD and is now recognised as the leading charity for all forms of CJD. Our aims are:

- To offer support to individuals and families concerned with all forms of CJD.
- To provide emotional support for carers and to link families with similar experiences of all forms of CJD.
- To offer financial support for families in need.
- To provide accurate, unbiased and up to-date information and advice about all forms of CJD.
- To provide a national helpline on all forms of CJD.
- To promote good quality care for people with all forms of CJD.
- To promote research into all forms of CJD and the dissemination of research findings.
- To develop a public response for all forms of CJD

This website provides information on the disease, and links to other related sites.
