Disabled Holidays 4u

Disabled Holidays 4u is a world directory of wheelchair accessible holiday resources. They have worked on the accessible tourism market since 2004 and know how difficult it is to get reliable information on the internet when travelling with a disability. On this web site, you have **all** the information you need in order to decide where to go on your holidays.

They joined all the information that you might need in one single website.

Here you'll find detailed wheelchair accessible information about:

- **Accommodation** (villas, apartments, chalets, farmhouses, cottages, hotels, etc.)
- **Adapted rent-a-car**
- **Tour operators**
- **Equipment rental**
- **Transport/transfers**
- **Nursing care companies**

Disabled Access Holidays was started after the owners own experiences when on holiday with their disabled son. After difficulties finding suitable accessible accommodation, they purchased and adapted an apartment to make it suitable for disabled travellers. Due to popular demand, 4 more wheelchair accessible apartments followed and they are now all available to rent in Puerto Pollensa, Majorca. The company in partnership with Clydegrove Travel has now expanded to offer flights, mobility equipment hire, adapted airport transfers and accessible accommodation in other destinations throughout the world.
