SCHIZOPHRENIA

Schizophrenia is a mental disorder that is characterised by disassociation of sensory input and feelings. There are many different types of schizophrenia, and symptoms can often include hallucinations, hearing voices, and feeling that someone else is in control of you.

MIND

Information line: 0300 123 3393

SANE

SANE works closely with other mental health charities and external organisations and is an active member of the Mental Health Alliance.

Website: www.sane.org.uk

Saneline: 0300 304 7000

RETHINK MENTAL ILLNESS

Rethink Mental Illness is a national charity for everyone affected by mental illness, their families, carers and friends. We challenge attitudes, we change the law, we change lives. We have groups, services and members across England. What we offer is a little bit different

Website: www.rethink.org

Information line: 0300 5000 927

SHAW TRUST

Shaw Trust is a national charity which supports disabled and disadvantaged people to prepare for work, find jobs and live more independently.

Website: www.shaw-trust.org.uk

Telephone: 0300 30 33 111

RICHMOND FELLOWSHIP

A charity and housing association. Providing care and rehabilitation to enable people with mental health, learning disabilities, addictions and other problems to live in the community.

Website: www.richmondfellowship.org.uk

Telephone: 020 76973300

SCHIZOPHRENIA.COM

Schizophrenia.com is a non-profit web community providing in-depth information, support and education related to schizophrenia, a disease of the brain.

Website: www.schizophrenia.com

HEARING VOICES NETWORK

If you hear voices HVN can help – they are committed to helping people who hear voices. Their reputation is growing as the limitations of a solely medical approach to voices become better known. Psychiatry refers to hearing voices as ‘auditory hallucinations’ but their research shows that there are many explanations for hearing voices.
