**Telephone: 0845 1249971**

Tourism for All UK is a national charity dedicated to standards of world class tourism which are welcoming to all.

Tourism for All UK contains the knowledge gained over the past 30 years in providing information to the public, especially to older or disabled people, on where their specific access needs can be met so that they can fully participate in travel and leisure. We receive over **400,000 visits** to our website and thousands of information requests to our helpline each year. We also champion the cause of accessible tourism with policy-makers in the UK and Europe. In prompting the visitor industry to cater for all needs, TFA has also developed an unrivalled knowledge and expertise to help businesses make changes that are practical and realistic.
